Dear Bill:

Just a note of thanks about AAIRRG and the benefit our two companies; Texas Pneumatic Systems, Inc. (TPS) and Turbine Fuel Systems, Inc.(TFS) have experienced.

AAIRRG has saved TPS & TFS approximately half of what our previous carrier charged for the same amount of coverage. Your personal attention, knowledge of the aviation industry, and expeditious service level are outstanding. I believe the captive insurance for our industry is a true cost saver during a time when finding reductions in the cost of operations is very difficult.

Thank you and the entire AAIRRG team for a job well done.

Sincerely,
